NORTH ANDOVER MERCHANTS ASSOCIATION

STAY LOCAL. SHOP LOCALLY.

PO BOX 62 - NORTH ANDOVER, MA 01845

Dear Business Owner:

The North Andover Merchants Association (NAMA) is preparing to host its 8th annual ***Knight of Honor-Rising Star Gala and Auction*** on Saturday, April 13, 2019 at the North Andover Country Club. The event will honor two North Andover High School Seniors with a \$2,000 Rising Star Scholarship and a third \$2,000 'Sylvie Foulds Scholarship' will be presented to a graduating senior (from any town/pursuing any degree) of an employee of a NAMA member business. One application allowed per business and at the discretion of the NAMA member business owner.

NAMA's 2019 Merchant of the Year will be honored along with presenting Milestone anniversary awards to various local businesses. The event will also feature live and silent auction items generously donated by many local businesses. This year's event will also include a gift card raffle and other fun games of chance featured throughout the evening.

To date, this fundraiser has resulted in scholarship awards in excess of \$30,000 and to help underwrite these expenses, we are reaching out to businesses within our surrounding community seeking donations to the live and silent auctions. Attached is an auction donation form; please complete and return to PO Box 62, North Andover, MA 01845, on/or before March 17th for inclusion in the program booklet. If you don't have an item to donate, you may offer cash sponsorship as well.

If you would like additional information about the event or to confirm your donation, please feel free to contact auction committee chair, Dawn Pease at dawn@dawnssigntechinc.net. Donations can be dropped off at Dawn's Sign Tech, 33 Flagship Drive, North Andover. Arrangements can also be made to have one of our volunteer's pick-up your donation.

Please also mark April 13th on your calendar and consider joining us this year!
Early reservations are strongly recommended as this event sells out every year.

Thank you for your support and for your consideration of this request.

Sincerely,

NAMA Volunteer Auction Committee Member

P.S: Interested in being a volunteer on the committee, we are always grateful for new committee volunteers; please reach out to Dawn Pease at Dawn@dawnssigntechinc.net for additional information.
